

BELL FUNDS OFFICER'S REPORT

I feel sure that anyone considering starting a Bell Restoration must be thankful that there are organisations that they can call on for a grant. I suspect that many restorations would never get off the ground without the knowledge that financial help is possible. So a huge thank you to all of our members who contribute to make The Bell Fund a source of grants and another thank you to all of you who have the drive and imagination to organise a restoration. Anyone who would like to make a donation to our Bell Fund can send a cheque to our Treasurer payable to B&WDACR No. 2 Account. You can also consider Payroll Giving, our registered charity number is 273962 and you will need to give this number to your employer.
