

YOUNG RINGER of the YEAR
Report for Competition Year 2009-10

This year was the first time we have utilised the online Registration system and as a result 30 Young Ringers registered their interest. These 30 Ringers were from only 5 branches of the Association. What happened to the other 6 branches?

However, of the original 30 Young Ringers only 15 submitted their applications and they were from the following Branches:- Axbridge, Bath, Cary, Crewkerne and Ilchester. Again most points were gained by Ringing for Service and Practice. One individual did utilise Branch Practices and Meetings to full advantage by attending Branch Practices other than those of her own Branch, bearing in mind that 4 points were gained from each attendance.

I did warn those at the top of the charts last year to watch out for the up and coming Krystyna Masny. They should have noted my comments for Krystyna came Joint 1st with Matt Martin. I give the full results below.
