

## **BELL FUNDS OFFICER REPORT**

The Quarter Peal Fortnight was held in September this year and proved to be successful, raising over £600 for the bell fund. 60 quarters were rung including several firsts. Notably achievements were a young ringers quarter in the Cary Branch, a 102nd birthday compliment and the 100th anniversary of the dedication of the bells at Chewton Mendip to name but a few.

Thank you to all who have supported this worthwhile event which clearly needs to become an annual happening
