

# Church Photography, Video Recording, the Internet

## Publicity Consent Form

Within the Bath and Wells Diocesan Association of Change Ringers we take the issue of safeguarding very seriously, and this includes the use of images of children, young people and vulnerable adults. We occasionally include images of children, young people and vulnerable adults in Branch Newsletters and on our bell-ringers website, but we have a duty of care which means that children, young people and vulnerable adults must remain unidentifiable, reducing the risk of inappropriate contact.

We ask that parents, guardians or carers consent to officers of the said Association, and its Branches, taking and using photographs or recorded images of children, young people or vulnerable adults. Any use of images is underpinned by the Safeguarding Policy of The Diocese of Bath and Wells. The full name of a child, young person or vulnerable adult should never be included alongside an image.
