February 2013

Dear Tim

As you may know I am to retire from my office as Bishop of Bath and Wells as from 30 June 2013. It has been a huge privilege to serve the people and parishes of Somerset for a little over eleven years. It has also been a pleasure to serve as a President of your society. However, I feel that it is only appropriate that I should now tender my resignation from that role with effect from 30 June, thanking you for the opportunity from time to time of representing your interests in a variety of places and circumstances.

Thank you for your confidence in me. I do wish you well for the future. I am hoping to continue in both development and conciliation work in what I am calling the next phase of my life.

All good wishes

*Yours ever
+ from Bath & Wells*
