

Chew Branch Summer Outing

Saturday 19th July 2014

Please come and join us for an afternoon of good company and exercise as we ring and walk between towers in the Frome branch.

Dogs are welcome.

1:30 - 2:30 Mells (8) 26.2.23

3:45 - 4:30 Whatley (6) 11.3.25

5:15 - 6:00 Nunney (6) 12cwt

The route will follow footpaths which take us through a picturesque area of industrial heritage along the course of the Mells River, through Murder Coombe to Whatley, and then along Nunney Brook to the village of Nunney with its castle.

The walk is linear, so you may wish to arrange to arrange transport from Nunney back to the starting point.
