

CREWKERNE BRANCH PROGRAMME 2014

Ringers of all levels are welcome at all our practices. There are no set methods for each month, but requests will be accommodated and help given wherever possible, dependent on numbers present. Please make your requirements known to the ringing master either on the day of the practice or beforehand. Also: There will be extra practices on the 3rd Weds of every month, 10.00, (*not April or Dec*) at Dowlish Wake – ringers of all abilities welcome.
