As some of the towers that entered don't have enough of their own members to field a team, several were 'scratch teams' and not eligible for the Striking Competition Trophy. The Trophy was retained for the second year by Combe St Nicholas, and they will go through to the Association Final in June. They will be joined by Chard 'B'. The Novice cup was retained for the second year by Chard 'A'.

Congratulations to the winners, and well done to all who took part. It was a super afternoon, and thanks must be extended to Linda Drew for judging the competition for us, and for the Chaffcombe Ringers and friends who supplied us with a fabulous tea after the competition.
