### Notes

**Saturday branch practices** will be in two parts: the first hour will concentrate on rounds, call changes and plain hunt. The second half will be for practising methods. All members are very welcome to attend.

**Six bell 'Beyond Bob Doubles' practices** take place on the fourth Monday of every month at Selworthy.

**Eight bell practices** take place at Old Cleeve on the third Tuesday of the month. The first hour is to develop our 8-bell ringing - concentrating on rounds, call changes, plain hunt and basic methods; the second hour is for more advanced method ringing.

**For more information** about any of these practices, phone or email one of the ringing masters or another branch officer. All officers and their contact details are included in the Association annual report.
