

The Frome Branch

welcomes your members to join them for the
Bath and Wells Diocesan Association of Change Ringers

Listening & Rhythms Workshop

being held at

St John the Baptist, Chilcompton,

on

Saturday 22nd February 2025

Why should you come?

- You're a recent learner;
- You've been on the course before and want a refresher;
- You're always being nagged to listen;
- You can't hear your bell;
- You can't feel any rhythm to help you place your bell;
- You struggle with helping your learners (and others) to listen and have some sense of rhythm;
- You want some good ideas which you can use;
- You have some good ideas you want to share.³²

*If you recognise any of the above, this is for **you**.*

*It is for **EVERYONE**.*

*Encourage your whole band to join us so that you can share your
experience and help each other.*
