Newsletter: January 2026

Welcome to the first newsletter of 2026. And thank you to those who have sent news and photos for this edition.

There are plenty of ringing opportunities (and something for everyone) in the coming months: please put the dates in your diary.

Branch Events

Saturday Branch Practices

Our regular Branch Practices are held on the third Saturday of the month, so even if the venue hasn't been confirmed you can put the date in your diary. Winter practices are 3.00pm – 4.30pm and Summer ones (British Summer Time) are now 4.30pm – 6.00pm. Tea, coffee and cake after ringing is usually a popular feature!

Everyone is welcome and there will be ringing for all abilities, from rounds and call changes to surprise methods. If you've not been to one of these practices before, do think about attending. It's an opportunity to gain valuable experience by ringing on different bells and meeting other ringers in our area.

Tower News

Clevedon, St Andrew

A peal was rung at Clevedon St Andrew's on the 17th December 2025 to mark 100 years since the first peal on the current bells. It also marked 100 years since the 7 Taylor bells were cast (1925) and 300 years since the Bilbie tenor was cast (1725). Included in the peal were local tower ringers, with help from the wider ringing community.

Portishead

The ringers who gather at Portishead each Tuesday always seem to be up for a party without any excuse, so Christmas and New Year mean lots of social as well as ringing celebrations.

This year we had a Christmas meal together on the Tuesday before Christmas; we chose The Albion where we have had good food on many occasions. Unfortunately, the food was not so good this time, however we had lots of fun moaning about it and planning a raid on the next table when our table ran out of spoons.

On Christmas Morning we ring at 7.30am (yes, we really do) for 8.00am communion. You may think we are crazy to get up so early and maybe we are: 14 of us were in the tower ready to make a joyful sound and wish Portishead a Happy Christmas.

On New Year's Eve we had a supper party in Church before the midnight ringing. Pasties were on the menu along with an excellent salad all sourced and prepared by Annie and we all endured Jan's playlist again.

Ubley

As we continue our Tuesday practices with our fabulous teachers, a few of us are now becoming reasonably handy at Plain Hunt. We've also recently welcomed a few beginners, with Amy and Charles having been elected to Branch membership at the AGM and now making great progress.

That means that with the experienced ringer that is Lester, who moved to Ubley recently, we now have an 8-strong band. Who would have thought it when Ubley had no local ringers at all just two years ago!

Yatton

The Yatton ringers held their annual Christmas dinner at the Butcher's Arms on 16th December.

The pub put on a good meal for us including turkey and all the trimmings, but the highlight was probably the Coconut Bombe dessert which was very tasty. No one was sad that we skipped the formal after dinner speeches; instead 5 of us rang a dinner touch on handbells of 3 leads of Kent Treble Bob Royal. The other diners in the pub were appreciative if slightly bemused.

The following week we skipped practice night again and instead had an evening ringing carols on handbells at the Hills' house. Although most of the band hadn't done much handbell ringing we quickly picked it up and worked our way through Jingle Bells, Good King Wenceslas, Hark the Herald and Silent Night. The ringing was followed by mince pies and mulled wine, and a resolution to get our act together next year and practice before the dinner so we can entertain the other diners in a more understandable manner.

In spite of people being away and illness, we were pleased to ring our tower bells for the main Christmas services.

Reports of Branch Events

The final Branch Practice of 2025 was held at Abbots Leigh on the afternoon of Saturday 20th December. It was well attended, with ringing for all levels of ability. After the ringing members gathered in the church to enjoy mulled wine and mince pies.

It was very encouraging to see a record attendance at the first Branch Practice of 2026. Held at Winford on Saturday 17th January, over 30 members made full use of the easy-going eight. As usual, there was a wide variety of ringing, with plenty of opportunity for the less experienced to ring rounds and call changes while the more experienced could practice various triples and major methods.

Two new members were elected, both from Wrington: **Mark Bath** and **Penny Synczys**

As has become customary at many of our Branch Practices, the afternoon was rounded off with tea, coffee and cake in the church, making it an enjoyable social, as well as ringing, occasion.

Whilst not all have been rung by Branch members, it is true to say that a good number of them have either been rung entirely by our members, or have included at least some members.

Sunday 8th March International Women's Day

In recent years this day has been marked by women ringers getting together for general ringing, a quarter peal or even a peal.

Might there be an all female Chew Branch band this year to ring a quarter peal?
